## Covenant Update

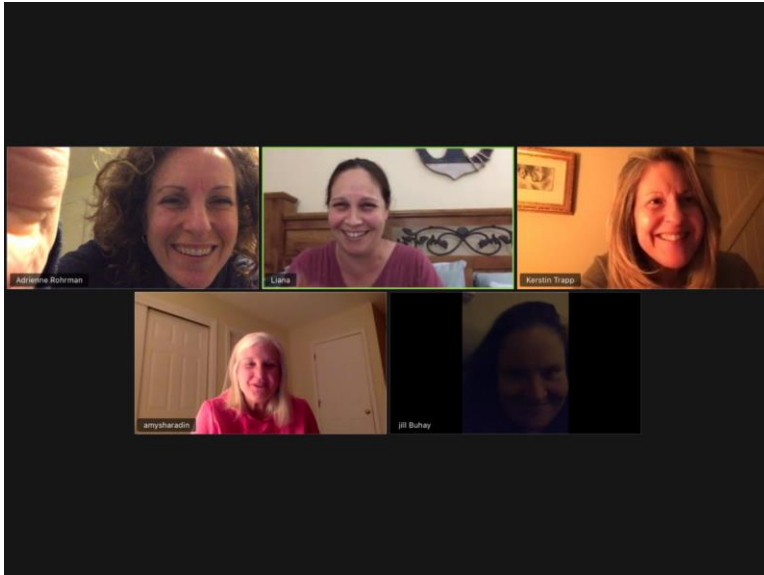

April 21, 2020

### Congregation Connection

Erna Fenchel has shared some Spring beauty from her garden. The beauty of God's creation this time of year displays His grace and gives us great hope in new life!

Denise Brill, in response to last week's Trivia question writes, "Miss seeing the littles at MOPS. Baby Ransom is a joy to see on Wednesdays at MOPS. Praying for these young families and that they will know the Lord's comfort and peace as they trust and lean on His promises in this uncertain time. Hope we are able to help those who may need food, help with bills, etc."

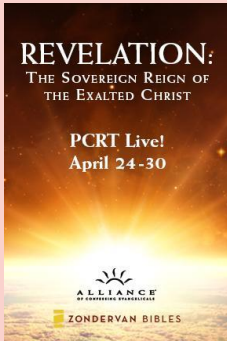

And a thank you to the Women's Committee for continuing to meet and plan for ministry at this time!

Keep sending us your links, comments, notes of encouragement, and photos from your "sheltering in place" experience and we will pass them on.

## Resource Spotlight

The Alliance of Confessing Evangelicals is also offering a free download of Dr. James Boise's four part seminar [Standing on the Rock](#). The summary states: When it comes to trusting God in His Word, Christians are pressed from all sides to disregard its power. Those on the outside tell us it's not reliable. Some on the inside tell us it's not enough. But when you take God at His word and trust His promises — you'll find the Bible to be everything it claims to be. Knowing its teachings, learning how to study it, and being prepared to defend it will result in a life that pleases God.

## Covenant Trivia

Questions on Tuesday, Answers on Friday

A fun way to think through and pray for our church family

### Question:

Can you name these five Covenant moms who recently met at the Butcher and Barkeep parking lot for some in-person fellowship? As you can see, they kept the proper distance and wore their masks (hand-sewn by one of the moms!) but it was so good to see each other in "real life!"

Please pray that the connections and fellowship we share together as a congregation will not only remain, but grow even stronger during this time of separation.

## *A Few Other Things to Note*

**Spring Outdoor Maintenance:** In lieu of our usual Spring Workday, we have organized a system whereby families or individuals may keep their social distance by signing up for separate work days. Please click [here](#) to choose your day.

*We look forward to worshipping with you  
via live stream this week!*
